The diagram consists of a grid with 8 columns and 7 rows. A diagonal line runs from the bottom-left corner of the grid to the top-right corner. A thick black line is drawn parallel to this diagonal, starting from the left edge of the grid and extending to the right edge. The thick line is positioned such that it passes through the bottom-left corner of the grid and the top-right corner of the grid. The grid is composed of thin black lines, and the thick black line is significantly thicker than the grid lines.
